7. [REDACTED] Received a call from Robert Blum, Research Assistant, Senate Foreign Relations Committee, who inquired whether there would be any objection to publication of the Director's recent letter concerning "the modest pilot program" for declassification of OSS files and the eventual publication of parts of the Agency history. He told me this area is of considerable interest to Chairman Fulbright and would be interesting to people in the academic field. I told him I would check it and call him during the week. [REDACTED] Special Assistant for STATINTL Information Control, has been advised.

8. [REDACTED] Received a call from Robert Boyer, House Foreign Affairs Committee staff, who told me that the Committee has been receiving an increasing number of inquiries concerning the status of civilian prisoners in South Vietnam and asked whether we have any current information on this subject. After checking with [REDACTED] FE Division, I told Boyer that Frank Sieverts, Department of State, is the focal point within the U.S. Government for such information.
